electrical work for
your business
or home.

WHY ABBOTT?

- ✔ **SERVICES:** Abbott offers electrical services for every market: commercial, industrial, residential, fire and security alarm, voice/data/fiber cabling, plus design/build engineering. We offer these services for new construction, remodeling, 24/7 service calls, and industrial maintenance contracts.
- ✔ **TEAM:** Our dedicated and knowledgeable team of certified electricians are led by senior leadership whose core philosophy is consistently delivering exceptional service.
- ✔ **TRAINING:** Our service technicians are extensively trained with advanced, hands-on experience in all aspects of commercial, industrial, institutional and emergency repairs. Abbott offers a wide array of services to meet the needs of our customers and ensure smooth operation of their facilities.
- ✔ **AWARD-WINNING:** Abbott is a 10x winner of the local "Community's Choice Awards" for Best Electrician, as well as a recipient of the Canton Regional Chamber of Commerce Business Excellence Award, and Quality Construction Partners - Contractor of the Year.
- ✔ **COMMUNITY FOCUS:** Abbott Electric is a proud contributor to the success of many local businesses, community endeavors and special projects across our service region.
- ✔ **SAFETY:** Our safety record speaks for itself. We've been recognized locally and nationally for our outstanding safety record, performing over 1,000,000 hours of labor without a lost-time accident.
